We are pleased to welcome you to our practice and look forward to meeting you!

You have made an appointment for a consultation and exam to evaluate the current status of your temporomandibular joints (TMJ).

At this visit, Dr. Vita will address your current symptoms and examine your muscles, joints and bite relationship. Please bring all x-rays, MRI’s and reports along with any bite guards that have been made for you to this visit. These will help in establishing an appropriate diagnosis. This visit will last approximately one hour. Then, additional 1-2 hours time following your visit is taken to review your case and generate a report of Dr. Vita’s findings and recommendations. This report will be sent to all the doctors you have listed and you will also receive a copy.

Payment and Insurance:
The fee for the initial examination, review of records and report is generally $350.00. If your case is more complex and will require an extended time, the fee will be determined at the time of the visit. All services are payable at the time of service. This office does not accept insurance and we are out of network for all insurance carriers. We will however, file your medical insurance for your reimbursement.

We look forward to meeting with you and being able to discuss your concerns regarding TMJ dysfunction.

Sincerely, Louis R. Vita & Staff

Medicial Diagnostic and/or Treatment Agreement and Patient Consent

I hereby authorize Dr. Vita and/or Colavita to examine me and suggest additional diagnostic testing. I understand that a patient seeking treatment at our office gives consent to his doctor to provide care in accordance with tests, analysis and diagnosis. It is rare that adjustments or other clinical procedures cause any problem, however, underlying physical defects, deformities and pathologies may render the patient susceptible to injury. The patient is responsible to truthfully disclose all pertinent information to the treating doctor regarding any illnesses, injury or adverse physical condition from which he/she is suffering or has experienced in their medical/dental history. While the doctor may advise the patient to seek diagnosis and treatment for a non-related condition, it remains the sole responsibility of the patient to do so.

The doctor and/or staff have advised me that this treatment regimen must be strictly followed. I agree that the doctor may terminate the doctor/patient relationship if he determines that I have not followed or am unlikely to follow the treatment regimen completely as it is critical to the success of my treatment. In the event that I am dismissed from care, or I, myself, end treatment, becomes my sole responsibility to seek and find treatment and further diagnostic testing from other healthcare providers. I will not hold the doctor of the Vita Head, Neck & Facial Pain Relief Center liable in any way whatsoever for such discontinued treatment or lack of follow up to another physician.

Neither the doctor nor any member of his staff has made any guarantees that his treatment will cure or benefit me in any way. I release the Vita Pain Relief Center, Dr. Louis Vita, Dr. Angelo Colavita and their staff and heirs from any and all claims or damages arising out of my treatment or omission to treat and diagnose, treatment outcome, or any aspect of care and result or lack thereof. I fully agree that I will not make any legal action against or toward Dr. Louis Vita, Dr. Angelo Colavita or their staff and heirs. I fully agree that I will not make negative or disparaging comments about any or all parties and care heretofore rendered. This includes written and verbal actions or comments.

I consent to have Dr. Vita/Dr. Colavita evaluate all of my available records and discuss with my physicians and dentists all past information that will assist in my care. I authorize Dr. Vita and/or Dr. Colavita to disclose any and all pertinent information to other healthcare providers and any other individual for my benefit within the confines of the Federal Privacy Practices Law. A copy of the Federal Privacy Practices Law is available at the office and will be furnished to me upon request at any time.

I give my permission to the doctors to share information about my case with other researchers as needed for statistical purposes and for possible scientific publication in medical journals. I also agree that my health information may be shared with governmental and/or regulatory agencies. I give my permission to Dr. Vita and/or Dr. Colavita to present my case, diagnosis and treatment outcome for teaching purposes and to include non-identifying photographs in presentation. I understand that in any publication, specific identifying information such as names and addresses will not be used. (Patient’s/Guardian’s initials required) __________

This office does not participate in any insurance plan other than Delta Dental for its dental patients only. Therefore payment will be made at the time of the service. Insurance reimbursement is solely and contractually between my insurance company and me. This office makes no claims of reimbursement from any insurance carrier for services rendered by the doctors. Payment for all services remains my sole responsibility. If I do not pay the provider’s outstanding balance due and owing and the provider must send this matter to an attorney for collection, I agree to be responsible for reasonable attorney fees (to be calculated at the rate of 25% of the outstanding balance due and owing), costs of collection as well as interest charges (to be calculated at the rate of 1.5% per month for a total of 18% per annum. I also agree to be bound by the jurisdiction of the courts of the State of NJ.

I authorize the release and transmission of my medical records as required by my insurance company in order to process claims. I authorize this office to receive and accept payment directly from my insurance carrier in the event that I have not paid at the time of the service. I understand that my insurance will be filed by me and for my benefit only. This office does not guarantee reimbursement for any services rendered since this practice does not participate with my insurance plan.

I have read, understand and willingly consent by my signature below.
